As Representatives of the several Underwriters

Ladies and Gentlemen:

GasLog Ltd., a Bermuda exempted company (the “Company”), proposes to sell to the several underwriters named in Schedule I hereto (the “Underwriters”), for whom you (the “Representatives”) are acting as representatives, \$75,000,000 aggregate principal amount of its 8.875% Senior Notes due 2022 (the “Securities”). The Securities are to be issued under a Base Indenture (the “Base Indenture”) dated as of March 22, 2017, by and among the Company and American Stock Transfer & Trust Company, LLC, as Trustee (the “Trustee”), as supplemented by a Supplemental Indenture thereto, dated as of March 22, 2017 (the “Supplemental Indenture”), pursuant to an Officer’s Certificate to be dated as of the Closing Date, establishing the Securities (together with the Base Indenture and the Supplemental Indenture, the “Indenture”). The Securities will be an additional issuance of, form a single series with, have the same terms and CUSIP as, trade interchangeably with and be fungible with, the \$250,000,000 in aggregate principal amount of the Company’s 8.875% Senior Notes due 2022 originally issued on March 22, 2017 pursuant to the Base Indenture and the Supplemental Indenture. To the extent there are no additional Underwriters listed on Schedule I other than you, the term Representatives as used herein shall mean you, as Underwriters, and the terms Representatives and Underwriters shall mean either the singular or plural as the context requires.

Any reference herein to the Registration Statement, the Base Prospectus, any Preliminary Prospectus or the Final Prospectus shall be deemed to refer to and include the documents incorporated by reference therein pursuant to Item 6 of Form F-3 which were filed under the Exchange Act on or before the Effective Date of the Registration Statement or the issue date of the Base Prospectus, any Preliminary Prospectus or the Final Prospectus, as the case may be; and any reference herein to the terms “amend,” “amendment” or “supplement” with respect to the Registration Statement, the Base Prospectus, any Preliminary Prospectus or the Final Prospectus

---

shall be deemed to refer to and include the filing of any document under the Exchange Act after the Effective Date of the Registration Statement or the issue date of the Base Prospectus, any Preliminary Prospectus or the Final Prospectus, as the case may be, deemed to be incorporated therein by reference. Certain terms used herein are defined in Section 21 hereof.

1. The Company represents and warrants to, and agrees with, each of the Underwriters as set forth below in this Section 1.

(a) The Company meets the requirements for use of Form F-3 under the Act and has prepared and filed with the Commission a registration statement on Form F-3 (File No. 333-230205), including a related Base Prospectus, for registration under the Act of the offering and sale of the Securities. Such Registration Statement including any amendments thereto filed prior to the Applicable Time, have become effective. The Company may have filed with the Commission, as part of an amendment to the Registration Statement or pursuant to Rule 424(b), one or more preliminary prospectus supplements relating to the Securities, each of which has previously been furnished to you. The Company will file with the Commission a final prospectus supplement relating to the Securities in accordance with Rule 424(b). As filed, such final prospectus supplement shall contain all information required by the Act, and, except to the extent the Representatives shall agree in writing to a modification, shall be in all substantive respects in the form furnished to you prior to the Applicable Time or, to the extent not completed at the Applicable Time, shall contain only such specific additional information and other changes (beyond that contained in the Base Prospectus and any Preliminary Prospectus) as the Company has advised you, prior to the Applicable Time, will be included or made therein. The Registration Statement, at the Applicable Time, meets the requirements set forth in Rule 415(a)(1)(x). The initial Effective Date of the Registration Statement was not earlier than the date three years before the date hereof.

(b) On each Effective Date, the Registration Statement did, and when the Final Prospectus is first filed in accordance with Rule 424(b), on the date of the Final Prospectus, and on the Closing Date (as defined herein), the Final Prospectus (and any supplement thereto) will, comply in all material respects with the applicable requirements of the Act, the Exchange Act and the Trust Indenture Act; on each Effective Date and at the Applicable Time, the Registration Statement did not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading; and on the date of any filing pursuant to Rule 424(b) on the date of the Final Prospectus and on the Closing Date, the Final Prospectus (together with any supplement thereto) will not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided, however*, that the Company makes no representations or warranties as to the information contained in or omitted from the Registration Statement or the Final Prospectus (or any supplement thereto) in reliance upon and in conformity with information furnished in writing to the Company by or on behalf of any Underwriter through the Representatives specifically for inclusion in the Registration Statement or the Final Prospectus (or any supplement thereto), it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 9 hereof, or to any statements in or omissions from the statement of eligibility of the Trustee on Form T-1, as it may then be amended, under the Trust Indenture Act filed as an

exhibit to the Registration Statement (the “Statement of Eligibility”). As of the Applicable Time, each of the Registration Statement and the Final Prospectus and any further amendments or supplements thereto complied or comply.

(c) As of the Applicable Time, (i) the Disclosure Package, when taken together as a whole and (ii) each electronic road show, when taken together as a whole with the Disclosure Package does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from the Disclosure Package based upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 9 hereof.

(d) (i) At the earliest time after the filing of the Registration Statement that the Company or another offering participant made a bona fide offer (within the meaning of Rule 164(h)(2)) of the Act and (ii) as of the Applicable Time (with such date being used as the determination date for purposes of this clause (ii)), the Company was not and is not an Ineligible Issuer (as defined in Rule 405), without taking account of any determination by the Commission pursuant to Rule 405 that it is not necessary that the Company be considered an Ineligible Issuer.

(e) Each Issuer Free Writing Prospectus does not include any information that conflicts with the information contained in the Registration Statement, including any document incorporated therein by reference and any prospectus supplement deemed to be a part thereof that has not been superseded or modified. The foregoing sentence does not apply to statements in or omissions from any Issuer Free Writing Prospectus based upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 9 hereof.

(g) Neither the Company nor any of its subsidiaries owns an interest in any material real property. Each of them has good and marketable title to all personal property owned by them which is material to the business of the Company and its subsidiaries, including the vessels owned by them, in each case free and clear of all liens, encumbrances and defects except such as are described in the Registration Statement, Disclosure Package and the Final Prospectus, including those arising under credit facilities, or such as do not materially affect the value of such property and do not materially interfere with the use made and proposed to be made of such property taken as a whole by the Company and its subsidiaries; and any real property and buildings occupied by the Company and its subsidiaries are occupied by them under valid, subsisting and enforceable contractual arrangements with such exceptions as are not material and do not interfere with the use made and proposed to be made of such property and buildings by the Company and its subsidiaries, otherwise than as set forth or contemplated in the Disclosure Package.

(i) (A) The Company has an authorized capitalization as set forth in the Registration Statement, Disclosure Package and the Final Prospectus and all of the issued share capital of the Company has been duly and validly authorized and issued, is fully paid and non-assessable and conforms to the description thereof contained in the Disclosure Package, the Final Prospectus and Registration Statement; (B) all of the issued share capital of each subsidiary of the Company has been duly and validly authorized and issued, is fully paid and non-assessable and (except as otherwise set forth in the Disclosure Package) is owned directly or indirectly by the Company, free and clear of all liens, encumbrances, equities or claims; (C) the Company owns twenty-five percent of the issued and outstanding share capital of Egypt LNG Shipping Limited ("Egypt LNG"), as described in the Disclosure Package, the Final Prospectus and Registration Statement, free and clear of all liens, encumbrances, equities or claims, except as disclosed in the Registration Statement, Disclosure Package and the Final Prospectus; (D) the Company owns 50.00% of the issued and outstanding share capital of The Cool Pool Limited (the "Cool Pool"),

(j) Neither the Memorandum of Association or Bye-laws of the Company nor any agreement filed as an exhibit to the Registration Statement grant the holders of the issued and outstanding share capital of the Company any preemptive rights, and none of the issued and outstanding shares of the Company or any of its subsidiaries were issued in violation of any preemptive right or similar rights of any securityholder of the Company.

(k) The issue and sale of the Securities and any payment of interest or principal on the Securities or the compliance by the Company with this Agreement and the consummation of the transactions herein contemplated (i) will not conflict with or result in a breach or violation of any of the terms or provisions of, or require the consent of any person, or constitute a default or Debt Repayment Triggering Event (as defined below), or result in the imposition of any lien, charge or encumbrance on any property of the Company or any of its subsidiaries, under any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument, or give any person the right to terminate any agreement or contract to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries is bound or to which any of the property or assets of the Company or any of its subsidiaries is subject; and (ii) will not result in any violation of (A) the provisions of the Memorandum of Association or Bye-laws of the Company or the organizational or governing documents of any of the Company’s subsidiaries or (B) any statute or any order, rule or regulation of any court or governmental agency or body having jurisdiction over the Company or any of its subsidiaries or any of their properties or assets, except in the case of clause (i), for any conflict, breach, or violation that would not result in a Material Adverse Effect or have a material adverse effect on the consummation of the transactions contemplated hereby; and no consent, approval, authorization, order, registration or qualification of or with any such court or governmental agency or body is required for the issue and sale of the Securities and any payment of interest or principal on the Securities or the consummation by the Company of the transactions contemplated by this Agreement, except the registration under the Act of the Securities and such consents, approvals, authorizations, registrations or qualifications as may be required under state securities or Blue Sky laws in connection with the purchase and distribution of the Securities by the Underwriters, and such other consents, approvals, authorizations, orders, registrations or qualifications that have already been obtained. A “Debt Repayment Triggering Event” means any event or condition that gives, or with the giving of notice or lapse of time would give, the holder of any loan, note, debenture or other evidence of indebtedness (or any person acting on such holder’s behalf) the right to accelerate the due date of any payment of, or to require the repurchase, redemption or repayment of all or a portion of such indebtedness by the Company or any of its subsidiaries.

(l) This Agreement has been duly authorized, executed and delivered by the Company.

(m) The Indenture has been duly authorized by the Company and has been duly qualified under the Trust Indenture Act, and the rules and regulations promulgated thereunder and, when duly authorized by the Trustee and executed and delivered in accordance with its terms by each of the parties thereto, will constitute a valid and legally binding agreement of the Company enforceable against the Company in accordance with its terms. The Securities to be issued and sold by the Company to the Underwriters hereunder have been duly and validly authorized and, when executed, authenticated, issued and delivered as provided in the Indenture against payment therefor as provided herein, will constitute valid and legally binding obligations of the Company enforceable against the Company in accordance with their terms, will be entitled to the benefits of the Indenture, and will conform to the description of the Securities contained in the Final Prospectus.

(n) None of the Company, any of its subsidiaries or, to the Company's knowledge, the Associates, is (i) in violation of its respective Memorandum of Association or Bye-laws, (ii) in violation of any applicable statute, law, rule, regulation, judgment, order or decree of any competent court, regulatory body, administrative agency, governmental body, arbitrator or other authority or (iii) in default (or with the giving of notice or lapse of time would be in default) under any existing obligation, agreement, covenant or condition contained in any indenture, mortgage, deed of trust, loan agreement, lease or other agreement or instrument to which any of them is a party or by which any of them is bound or to which any of the properties of any of them is subject, except in each case covered by clauses (ii) and (iii) such as would not result in a Material Adverse Effect or have a material adverse effect on the consummation of the transactions contemplated hereby.

(o) No subsidiary of the Company is currently prohibited, directly or indirectly, from paying any cash dividends to the Company, from making any other distribution on such subsidiary's share capital, or from transferring any of such subsidiary's property or assets to the Company or any other subsidiary of the Company, except as described in the Disclosure Package.

(p) The Company has been designated as non-resident of Bermuda for the purposes of the Bermuda Exchange Control Act 1972 and as such is free to acquire, hold, transfer and sell foreign currency and securities without restriction under such legislation (including the payment of dividends, interests, premiums or additional amounts or other distributions which may be lawfully made by the Company under the Bermuda Companies Act 1981).

(q) There are no contracts, agreements or understandings between the Company and any person that would give rise to a valid claim against the Company or any Underwriter for a brokerage commission, finder's fee or other like payment in connection with the issuance and sale of the Securities.

(r) The statements set forth in the Registration Statement, Disclosure Package and the Final Prospectus under the caption "Description of Notes", insofar as they purport to constitute a summary of the terms of the Securities, and under the caption "Service of Process and

(s) There are no business relationships or related-party transactions involving the Company or any of its subsidiaries or any other person required to be described in the Registration Statement, the Disclosure Package and the Final Prospectus which have not been described as required.

(t) Any statistical and market-related data included in the Registration Statement, Disclosure Package and the Final Prospectus are based on or derived from sources that the Company reasonably believes to be reliable and accurate, and the Company has obtained the written consent for the use of such data from such sources to the extent required.

(u) No forward-looking statement (within the meaning of Section 27A of the Act and Section 21E of the Exchange Act) contained in the Registration Statement, Disclosure Package or the Final Prospectus has been made or reaffirmed without a reasonable basis or has been disclosed other than in good faith.

(v) There are no legal or governmental proceedings pending to which the Company or any of its subsidiaries is a party or of which any property of the Company or any of its subsidiaries is the subject or, to the Company’s knowledge, after due inquiry, to which any of the Company’s or its subsidiaries’ directors or executive officers is a party, which, if determined adversely to the Company or any of its subsidiaries, would individually or in the aggregate have a Material Adverse Effect; and, to the Company’s knowledge, no such proceedings are threatened or contemplated by governmental authorities or threatened by others.

For purposes of this subsection, “Hazardous Substances” means (x) petroleum and petroleum products, by-products or breakdown products, radioactive materials, asbestos-containing materials, polychlorinated biphenyls and mold, and (y) any other chemical, material or substance defined or regulated as toxic or hazardous or as a pollutant, contaminant or waste under Environmental Laws.

(x) Other than as set forth in the Disclosure Package, the Company has reasonably concluded that neither the Company nor any of its subsidiaries has incurred any costs or liabilities associated with Environmental Laws (including, without limitation, any capital or operating expenditures required for clean-up, closure of properties or compliance with Environmental Laws or any permit, license or approval, any related constraints on operating activities and any potential liabilities to third parties) which would, individually or in the aggregate, have a Material Adverse Effect.

(y) Other than as set forth in the Disclosure Package, the Company and its subsidiaries possess all certificates, authorizations and permits issued by the appropriate federal, state or foreign regulatory authorities as necessary for the Company and its subsidiaries to conduct their respective businesses as currently conducted, except as would not individually or in the aggregate have a Material Adverse Effect; and neither the Company nor any of its subsidiaries has received any notice of proceedings relating to the revocation or modification of any such certificate, authorization or permit which, individually or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would have a Material Adverse Effect.

(z) The Company and its subsidiaries own or possess, or hold a right or license to use, or can acquire on reasonable terms, all material patents, patent rights, licenses, inventions, copyrights, know-how (including trade secrets and other unpatented and/or unpatentable proprietary or confidential information, systems or procedures), trademarks, service marks and trade names currently employed by them in connection with the business now operated by them, and neither the Company nor any of its subsidiaries has received any notice of infringement of or conflict with asserted rights of others with respect to any of the foregoing, which if the subject of an unfavorable decision, ruling or finding, would have a Material Adverse Effect.

(aa) No material labor dispute, work stoppage, slow down or other conflict with the employees of the Company or any of its subsidiaries exists or, to the Company’s knowledge, is threatened or contemplated.

(bb) The Company, each of its subsidiaries and their vessels are insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as are

prudent and customary in the businesses in which they are engaged; neither the Company nor any of its subsidiaries has been refused any insurance coverage sought or applied for; and neither the Company nor any of its subsidiaries has any reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business at a cost that would not have a Material Adverse Effect.

(cc) Neither the Company nor any of its subsidiaries has any off-balance sheet arrangements, except as described in the Registration Statement, the Disclosure Package and the Final Prospectus.

(dd) (A) None of the Company, its subsidiaries or any of their respective directors or officers, nor, to the Company's knowledge, the Associates, any of their respective directors or officers, or the respective affiliates, employees or agents of the Company, its subsidiaries and the Associates: (i) knowingly does any business with or involving the government of, or any person or project located in, any country targeted by any of the economic sanctions promulgated by any Executive Order issued by the President of the United States or administered by the United States Treasury Department's Office of Foreign Assets Control (the "OFAC") (collectively, "Sanctions"); or (ii) knowingly supports or facilitates any such business or project, in each case other than as permitted under such economic sanctions; (B) the Company is not controlled (within the meaning of the Executive Orders or regulations promulgating such economic sanctions or the laws authorizing such promulgation) by any such government or person; (C) the proceeds from the offering of the Securities contemplated hereby will not be used to fund any operations in, to finance any investments, projects or activities in, or to make any payments to, any country, or to make any payments to, or finance any activities with, any person targeted by any of such economic sanctions; and (D) the Company maintains and has implemented adequate internal controls and procedures to monitor and audit transactions that are reasonably designed to detect and prevent any use of the proceeds from the offering of the Securities contemplated hereby that is inconsistent with any of the Company's representations and obligations under clause (C) of this paragraph or in the Registration Statement, Disclosure Package or Final Prospectus.

(ee) None of the Company, any of its subsidiaries or any of the Company's directors or executive officers, or, to the Company's knowledge, the Associates or their respective directors or officers or the Company's subsidiaries' directors or executive officers or any agent, employee or other person associated with or acting on behalf of the Company, any of its subsidiaries or the Associates, has taken any action in furtherance of an offer, payment, promise to pay, or authorization or approval of the payment or giving of money, property, gifts or anything else of value, directly or indirectly, to any "government official" (including any officer or employee of a government or government-owned or controlled entity or of a public international organization, or any person acting in an official capacity for or on behalf of any of the foregoing, or any political party or party official or candidate for political office) to influence official action or secure an improper advantage in violation of any applicable law; and the Company and its subsidiaries and, to the knowledge of the Company, their respective affiliates have conducted their businesses in compliance with applicable anti-corruption laws and have instituted and maintain and will continue to maintain policies and procedures designed to

promote and achieve compliance with such laws and with the representation and warranty contained herein.

(gg) Neither the Company nor any of its subsidiaries has incurred or is reasonably likely to incur any material liability under Title IV of the Employee Retirement Income Security Act of 1974, as amended.

(hh) There are no restrictions on subsequent transfers of the Securities under the laws of Bermuda.

(ii) Except as disclosed in the Disclosure Package, there are no contracts, agreements or understandings between the Company and any person granting such person the right to require the Company to file a registration statement under the Act with respect to any securities of the Company or to require the Company to include such securities with the Securities registered pursuant to the Registration Statement.

(jj) The Company has taken all necessary actions to comply with all applicable corporate governance requirements of the New York Stock Exchange (the "Exchange") that are, or will be, applicable to the Company, except for such requirements that have been waived and disclosed in the Disclosure Package.

(ll) Neither the Company nor any of its subsidiaries has taken, directly or indirectly, any action which was designed to or which has constituted or which might reasonably be expected to cause or result in stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities.

(mm) The Company is not and, after giving effect to the offering and sale of the Securities and the application of the proceeds thereof, will not be required to register as an "investment company", as such term is defined in the Investment Company Act of 1940, as amended (the "Investment Company Act").

(nn) As described in the Registration Statement and subject to the limitations and restrictions described therein, the Company believes neither the Company nor any of its subsidiaries should be a “passive foreign investment company” as defined in the Internal Revenue Code of 1986, as amended.

(oo) The Company is a “foreign private issuer” as defined in Rule 405 under the Act.

(aaa) The Company and its subsidiaries have filed all United States federal, state and local and non-U.S. tax returns that are required to be filed or have requested extensions thereof (except in any case in which the failure so to file would not, individually or in the aggregate, have a Material Adverse Effect); except as set forth in the Disclosure Package, the Company and its subsidiaries have paid all taxes (including any assessments, fines or penalties that are currently owed and due) required to be paid by them and that are currently owed and due, except for any such taxes, assessments, fines or penalties currently being contested in good faith or as would not, individually or in the aggregate, have a Material Adverse Effect; and no capital gains, income, withholding or other taxes or stamp or other issuance or transfer taxes or duties or similar fees or charges are payable by or on behalf of the Underwriters to Bermuda or Monaco or to any political subdivision or taxing authority thereof or therein in connection with the execution, delivery and performance of this Agreement or the Indenture, the sale and delivery by the Company of the Securities to or for the respective accounts of the Underwriters or the sale and delivery by the Underwriters of the Securities to the initial purchasers thereof.

6. (a) The Company represents and agrees that, without the prior consent of the Representatives, it has not made and will not make any offer relating to the Securities that would constitute a "free writing prospectus" as defined in Rule 405 under the Act; each Underwriter represents and agrees that, without the prior consent of the Company and the Representatives, it has not made and will not make any offer relating to the Securities that would constitute a free writing prospectus required to be filed with the Commission; any such free writing prospectus the use of which has been consented to by the Company and the Representatives is listed on Schedule III hereto.

correct such conflict, statement or omission; *provided, however*, that this representation and warranty shall not apply to any statements or omissions in an Issuer Free Writing Prospectus made in reliance upon and in conformity with information furnished in writing to the Company by an Underwriter through the Representatives expressly for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described in Section 9 hereof.

(c) Promptly after receipt by an indemnified party under subsection (a) or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect

thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise than under such subsection. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

(d) If the indemnification provided for in this Section 9 is unavailable to or insufficient to hold harmless an indemnified party under subsection (a) or (b) above in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other from the offering of the Securities. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under subsection (c) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriters, in each case as set forth in the table on the cover page of the Final Prospectus. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or the Underwriters on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this subsection (d) were determined by *pro rata* allocation (even if the Underwriters were treated as one entity for such purpose) or by any

other method of allocation which does not take account of the equitable considerations referred to above in this subsection (d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations in this subsection (d) to contribute are several in proportion to their respective underwriting obligations and not joint.

(e) The obligations of the Company under this Section 9 shall be in addition to any liability which the Company may otherwise have and shall extend, upon the same terms and conditions, each Underwriter's partners, members, directors, officers, employees, agents, affiliates and to each person, if any, who controls any Underwriter within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, each broker-dealer affiliate of any Underwriter and any agent of any Underwriter or broker-dealer affiliate of any Underwriter; and the obligations of the Underwriters under this Section 9 shall be in addition to any liability which the respective Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Company (including any person who, with his or her consent, is named in the Registration Statement as about to become a director of the Company) and to each person, if any, who controls the Company within the meaning of the Act.

10. (a) If any Underwriter shall default in its obligation to purchase the Securities which it has agreed to purchase hereunder at the Time of Delivery, the Representatives may in their discretion arrange for the Representatives or another party or other parties to purchase such Securities on the terms contained herein. If within thirty-six hours after such default by any Underwriter the Representatives do not arrange for the purchase of such Securities, then the Company shall be entitled to a further period of thirty-six hours within which to procure another party or other parties satisfactory to the Representatives to purchase such Securities on such terms. In the event that, within the respective prescribed periods, the Representatives notify the Company that the Representatives have so arranged for the purchase of such Securities, or the Company notifies the Representatives that it has so arranged for the purchase of such Securities, the Representatives or the Company shall have the right to postpone the Time of Delivery for a period of not more than seven days, in order to effect whatever changes may thereby be made necessary in the Registration Statement or the Final Prospectus, or in any other documents or arrangements, and the Company agrees to file promptly any amendments or supplements to the Registration Statement or the Final Prospectus which in the opinion of the Representatives may thereby be made necessary. The term "Underwriter" as used in this Agreement shall include any person substituted under this Section with like effect as if such person had originally been a party to this Agreement with respect to such Securities.

(b) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Underwriter or Underwriters by the Representatives and the Company as provided in subsection (a) above, the aggregate number of such Securities which remains unpurchased does not exceed one-eleventh of the aggregate number of all the Securities to be purchased at the Time of Delivery, then the Company shall have the right to require each non-defaulting Underwriter to purchase the number of Securities which such Underwriter agreed to purchase hereunder at the Time of Delivery and, in addition, to require each non-defaulting Underwriter to purchase its *pro rata* share (based on the number of Securities which such Underwriter agreed to purchase hereunder) of the Securities of such defaulting Underwriter or Underwriters for which such arrangements have not been made; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

(c) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Underwriter or Underwriters by the Representatives and the Company as provided in subsection (a) above, the aggregate number of such Securities which remains unpurchased exceeds one-eleventh of the aggregate number of all the Securities to be purchased at the Time of Delivery, or if the Company shall not exercise the right described in subsection (b) above to require non-defaulting Underwriters to purchase Securities of a defaulting Underwriter or Underwriters, then this Agreement shall thereupon terminate, without liability on the part of any non-defaulting Underwriter or the Company, except for the expenses to be borne by the Company and the Underwriters as provided in Section 7 hereof and the indemnity and contribution agreements in Section 9 hereof; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

11. The respective indemnities, agreements, representations, warranties and other statements of the Company and the several Underwriters, as set forth in this Agreement or made by or on behalf of them, respectively, pursuant to this Agreement, shall remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of any Underwriter or any controlling person of any Underwriter, or the Company, or any officer or director or controlling person of the Company, and shall survive delivery of and payment for the Securities.

12. If this Agreement shall be terminated pursuant to Section 10 hereof, the Company shall not then be under any liability to any Underwriter except as provided in Sections 7 and 9 hereof; but, if for any other reason, any Securities are not delivered by or on behalf of the Company as provided herein, the Company will reimburse the Underwriters through the Representatives for all out-of-pocket expenses approved in writing by the Representatives, including fees and disbursements of counsel, reasonably incurred by the Underwriters in making preparations for the purchase, sale and delivery of the Securities not so delivered, but the Company shall then be under no further liability in respect of the Securities not so delivered to any Underwriter except as provided in Sections 7 and 9 hereof.

13. In all dealings hereunder, the Representatives shall act on behalf of each of the Underwriters, and the parties hereto shall be entitled to act and rely upon any statement, request, notice or agreement on behalf of any Underwriter made or given by the Representatives.

All statements, requests, notices and agreements hereunder shall be in writing, and if to the Underwriters shall be delivered or sent by mail, telex or facsimile transmission to the Representatives at Credit Suisse Securities (USA) LLC, Eleven Madison Avenue, New York, New York 10010, Attention: IBCM-Legal and DNB Markets Inc., 200 Park Avenue, 31st Floor, New York, New York 10166, Attention: Legal Department; and if to the Company shall be delivered or sent by mail, telex or facsimile transmission to the address of the Company set forth in the Registration Statement, Attention: Secretary; *provided, however*, that any notice to an Underwriter pursuant to Section 9(c) hereof shall be delivered or sent by mail, telex or facsimile transmission to such Underwriter at its address set forth in its Underwriters' Questionnaire, or telex constituting such Questionnaire, which address will be supplied to the Company by the Representatives upon request; *provided, however*, that notices under subsection 5(e) shall be in writing, and if to the Underwriters shall be delivered or sent by mail, telex or facsimile transmission to the Representatives at Credit Suisse Securities (USA) LLC, Eleven Madison Avenue, New York, New York 10010, Attention: IBCM-Legal and DNB Markets Inc., 200 Park Avenue, 31st Floor, New York, New York 10166, Attention: Legal Department. Any such statements, requests, notices or agreements shall take effect upon receipt thereof.

In accordance with the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), the Underwriters are required to obtain, verify and record information that identifies their respective clients, including the Company, which information may include the name and address of their respective clients, as well as other information that will allow the Underwriters to properly identify their respective clients.

14. This Agreement shall be binding upon, and inure solely to the benefit of, the Underwriters, the Company and, to the extent provided in Sections 9 and 11 hereof, the officers and directors of the Company and each person who controls the Company or any Underwriter, and their respective heirs, executors, administrators, successors and assigns, and no other person shall acquire or have any right under or by virtue of this Agreement. No purchaser of any of the Securities from any Underwriter shall be deemed a successor or assign by reason merely of such purchase.

15. Time shall be of the essence of this Agreement.

16. The Company acknowledges and agrees that (i) the purchase and sale of the Securities pursuant to this Agreement is an arm's-length commercial transaction between the Company, on the one hand, and the several Underwriters, on the other, (ii) in connection therewith and with the process leading to such transaction each Underwriter is acting solely as a principal and not the agent or fiduciary of the Company, (iii) no Underwriter has assumed an advisory or fiduciary responsibility in favor of the Company with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company on other matters) or any other obligation to the Company except the obligations expressly set forth in this Agreement and (iv) the Company has consulted its own legal and financial advisors to the extent it deemed appropriate. The Company agrees that it will not claim that the Underwriters, or any of them, has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Company, in connection with such transaction or the process leading thereto.

17. This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Company and the Underwriters, or any of them, with respect to the subject matter hereof.

18. THIS AGREEMENT AND ANY MATTERS RELATED TO THIS TRANSACTION SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO PRINCIPLES OF CONFLICT OF LAWS THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAWS OF THE STATE OF NEW YORK. The Company agrees that any suit or proceeding arising in respect of this agreement or the engagement of the Representatives will be tried exclusively in the U.S. District Court for the Southern District of New York or, if that court does not have subject matter jurisdiction, in any state court located in The City and County of New York and the Company agrees to submit to the jurisdiction of, and to venue in, such courts.

19. The Company has appointed Puglisi & Associates as its authorized agent (the “Authorized Agent”) upon whom process may be served in any suit, action or proceeding arising out of or based upon this Agreement or the transactions contemplated herein which may be instituted, by any Underwriter, the directors, officers, employees and agents of any Underwriter, or by any person who controls any Underwriter, and expressly accepts the non-exclusive jurisdiction of any such court in respect of any such suit, action or proceeding. The Company hereby represents and warrants that the Authorized Agent has accepted such appointment and has agreed to act as said agent for service of process, and each of them agrees to take any and all action, including the filing of any and all documents that may be necessary to continue such appointment in full force and effect as aforesaid. Service of process upon the Authorized Agent shall be deemed, in every respect, effective service of process upon the Company.

20. The Company and each of the Underwriters hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

MATTERS TO BE COVERED BY U.S. COUNSEL OPINION

1. Assuming that the Underwriting Agreement, Securities and Indenture have each been duly authorized by the Company under the laws of Bermuda, the Underwriting Agreement, Securities and Indenture have each been duly executed and delivered by the Company, to the extent such execution and delivery are governed by the laws of the State of New York.
2. The Indenture has been duly qualified under the Trust Indenture Act. Assuming that the Indenture has been duly authorized, executed and delivered by the Company, the Indenture constitutes a legal, valid and binding instrument enforceable against the Company in accordance with its terms (subject to applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer and other similar laws affecting creditors' rights generally from time to time in effect and to general principles of equity, including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing, regardless of whether considered in a proceeding in equity or at law); and assuming that the Securities have been duly authorized, when executed and authenticated in accordance with the provisions of the Indenture and delivered to and paid for by the Underwriters pursuant to the Underwriting Agreement, the Securities will constitute legal, valid and binding obligations of the Company, entitled to the benefits of the Indenture and enforceable against the Company in accordance with their terms (subject to applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer and other similar laws affecting creditors' rights generally from time to time in effect and to general principles of equity, including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing, regardless of whether considered in a proceeding in equity or at law).
3. The Registration Statement initially became effective under the Securities Act on March 22, 2019 and thereupon the offering of the Securities as contemplated by the Final Prospectus became registered under the Securities Act; to such counsel's knowledge, no stop order suspending the effectiveness of the Registration Statement has been issued and, to such counsel's knowledge, no proceedings for that purpose have been instituted or are pending or contemplated under the Securities Act; the required filing of the Final Prospectus pursuant to Rule 424(b) has been made in the manner and within the time period required by Rule 424(b) (without reference to Rule 424(b)(8)); and the Issuer Free Writing Prospectus was filed in the manner and within the time period specified by Rule 433(d).
4. To such counsel's knowledge, there is no pending or threatened action, suit, proceeding or investigation before or by any United States Federal or New York State court, governmental agency or authority against the Company or any of its subsidiaries of a character required to be disclosed in the Registration Statement, Disclosure Package or Final Prospectus which is not adequately disclosed as required.

5. The statements made in the Company's Annual Report on Form 20-F for the fiscal year ended December 31, 2018 under "Business Overview – Ship Time Charters" and "Risk Factors – Risks Related to Our Securities – Tax Risks", insofar as they purport to constitute summaries of the terms of the identified contracts, fairly summarize the matters therein described. Such counsel's opinion in the preceding sentence relating to the contracts does not extend to compliance with any financial ratio or any limitation in any contractual restriction expressed as a dollar amount (or an amount expressed in another currency). Such counsel notes that certain of the contracts are governed by laws other than New York law; such counsel's opinions expressed herein are based solely upon our understanding of the plain language of such agreements, and such counsel does not express any opinion with respect to the effect of the opinions or statements set forth herein on any interpretation thereof inconsistent with such understanding.
6. The Securities conform in all material respects to the description thereof contained in the Registration Statement, Disclosure Package and the Final Prospectus under the heading "Description of Notes".
7. Although the discussion in the Registration Statement, Disclosure Package and the Final Prospectus under the heading "Material United States Federal Income Tax Considerations" does not purport to discuss all possible United States federal income tax consequences of the acquisition, ownership and disposition of the Securities, such counsel hereby confirms that the statements of law (including the qualifications thereto) under such heading represent such counsel's opinion of the material United States federal income tax consequences of the acquisition, ownership and disposition of the Securities, subject to certain assumptions expressly described in the Registration Statement, Disclosure Package and the Final Prospectus under such heading.
8. To such counsel's knowledge, there is no contract, indenture, mortgage, loan agreement, note, lease or other document of a character required to be described in the Registration Statement, Disclosure Package or Final Prospectus, or to be filed as an exhibit, which is not described or filed as required.
9. No authorization, approval or other action by, and no notice to, consent of, order of or filing with, any United States Federal or New York State court, governmental authority or regulatory body is required to be made or obtained by the Company for the consummation of the transactions contemplated by the Underwriting Agreement, other than (i) those that have been obtained or made under the Securities Act and the Trust Indenture Act, (ii) those that may be required under the Securities Act in connection with the use of a "free writing prospectus" and (iii) those that may be required under the blue sky laws of any jurisdiction in connection with the purchase and distribution of the Securities by the Underwriters.
10. None of the execution, delivery and performance of the terms of the Underwriting Agreement, Securities or Indenture by the Company and the consummation by the Company of the transactions set forth therein will result in any violation of United States Federal or New York State law, rule or regulation or any ruling, judgment, order or decree, known to us, of any United States Federal or New York State court, agency or

official having jurisdiction over the Company or any of its subsidiaries or any of the properties or assets of the Company or any of its subsidiaries.

11. To such counsel's knowledge, other than as have been validly waived and as described in the Disclosure Package, there are no persons with registration rights or other similar rights to have any securities registered pursuant to the Registration Statement by the Company under the Securities Act.
12. Based on the certificate dated the date hereof, from an officer of the Company, after giving effect to the offering and sale of the Securities, the Company will not be an "investment company" within the meaning of, or is registered or otherwise required to be registered under, the Investment Company Act of 1940, as amended.
13. Neither the Company nor any of its subsidiaries should be a "passive foreign investment company" as such term is defined in the Internal Revenue Code of 1986, as amended.
14. Assuming the validity of such action under the laws of Bermuda relating to submission to jurisdiction, the Company has, pursuant to Sections 18 and 19 of the Underwriting Agreement (a) validly and irrevocably submitted to the personal jurisdiction of the courts of the State of New York, and (b) appointed Puglisi & Associates as its agent for service of process.
15. The Company is a "foreign private issuer" as defined in Rule 405 under the Securities Act.

In addition to the matters set forth above, such counsel shall also state (i) on the basis of information gained in the course of the performance of the services rendered, that, the Registration Statement, at the time it initially became effective, and the Final Prospectus, as of its date and the Closing Date, appeared or appears on its face to be appropriately responsive in all material respects to the requirements of the Securities Act and the Trust Indenture Act and the applicable rules and regulations thereunder, except that such counsel does not express any view as to the financial statements and other information of an accounting or financial nature included therein and (ii) that their work in connection with this matter did not disclose any information that gave them reason to believe that (a) the Registration Statement, at the time the Registration Statement became effective, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (b) the Final Prospectus, as of its date or the Time of Delivery included or includes, an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading or (c) the Disclosure Package, as of the Applicable Time, included an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, except that, in each case, such counsel does not express any view as to the financial statements and other information of an accounting or financial nature included therein. As to the foregoing, we note that we are admitted to practice only in the State of New York and we are not admitted to practice in Bermuda.

MATTERS TO BE COVERED BY BERMUDA COUNSEL OPINION

1. Each of the Company and the Bermuda Subsidiaries is duly incorporated and validly existing as an exempted company with limited liability under the laws of Bermuda in good standing (meaning solely that the relevant company has not failed to make any required filing with any Bermuda governmental authority or to pay any Bermuda government fee or tax which would make it liable to be struck off the Register of Companies and thereby cease to exist under the laws of Bermuda). The Company possesses the capacity to sue and be sued in its own name under the laws of Bermuda.
2. The Company has the necessary corporate power and authority to own, lease and operate its properties and conduct its business as described in the Registration Statement and the Final Prospectus and the necessary corporate power and authority to enter into and perform its obligations under the Underwriting Agreement, the Securities and the Indenture. The execution and delivery of the Underwriting Agreement, the Securities and the Indenture by the Company and the performance by the Company of its obligations thereunder will not violate the memorandum of association or bye-laws of the Company, nor any applicable law, regulation, order or decree in Bermuda.
3. Each of the Bermuda Subsidiaries has the necessary corporate power and authority to own, lease and operate its properties and conduct its business as described in the Registration Statement and the Final Prospectus.
4. The Company has taken all corporate action required to authorize the execution, delivery and performance of the Securities and the Indenture. To the extent governed by Bermuda law, the Securities and the Indenture have been duly executed and delivered by or on behalf of the Company and constitute valid and legally binding obligations of the Company in accordance with the terms thereof.
5. The Company has taken all corporate action required to authorize the execution, delivery and performance of the Underwriting Agreement. The Underwriting Agreement has been duly executed and delivered by or on behalf of the Company and constitutes the valid and binding obligations of the Company in accordance with the terms thereof.
6. The statements contained in the Final Prospectus under the captions “Material Tax Considerations – Bermuda Tax Considerations” and “Service of Process and Enforcement of Liabilities”, in the Registration Statement under Item 8 “Indemnification of Directors and Officers” and the information contained in the Company’s Annual Report on Form 20-F for the fiscal year ended December 31, 2018 under the captions “Additional Information – Share Capital”, “Additional Information – Memorandum of Association”, “Additional Information – Exchange Controls and Other Limitations Affecting Security Holders” and “Additional Information – Tax Considerations – Bermuda Tax Considerations”, insofar as they purport to describe the provisions of the laws of Bermuda referred to therein, are accurate in all material respects.

7. No order, consent, approval, licence, authorisation or validation of or exemption by any government or public body or authority of Bermuda or any sub division thereof is required to authorise or is required to be obtained by the Company or the Underwriters to authorise or in connection with (i) the issue and sale of the Securities by the Company pursuant to the Underwriting Agreement, or (ii) the execution, delivery, performance and enforcement of the Underwriting Agreement, Securities and the Indenture, including the consummation by the Company of the transactions contemplated by the Underwriting Agreement, the Securities and the Indenture, except such as have been duly obtained in accordance with Bermuda law and which are in full force and effect.
8. Based solely upon a search of the Cause Book of the Supreme Court of Bermuda conducted at approximately [·] a.m. on [·] May 2019 (which would not reveal details of proceedings which have been filed but not actually entered in the Cause Book at the time of our search), there are no judgments against the Company or any of the Bermuda Subsidiaries nor any legal or governmental proceedings pending in Bermuda to which the Company or any of the Bermuda Subsidiaries is subject.
9. It is not necessary or desirable to ensure the enforceability in Bermuda of the Underwriting Agreement, the Securities and the Indenture that they be registered in any register kept by, or filed with, any governmental authority or regulatory body in Bermuda. However, to the extent that the Underwriting Agreement, the Securities or the Indenture creates a charge over assets of the Company, it may be desirable to ensure the priority in Bermuda of the charge that they be registered in the Register of Charges in accordance with Section 55 of the Bermuda Companies Act. On registration, to the extent that Bermuda law governs the priority of a charge, such charge will have priority in Bermuda over any unregistered charges, and over any subsequently registered charges, in respect of the assets which are the subject of the charge. A registration fee of \$665 will be payable in respect of the registration. While there is no exhaustive definition of a charge under Bermuda law, a charge includes any interest created in property by way of security (including any mortgage, assignment, pledge, lien or hypothecation). As the Underwriting Agreement, the Securities and the Indenture are governed by the laws of the State of New York, the question of whether it creates such an interest in property would be determined under the laws of the State of New York.
10. There are no Bermuda stamp duty, transfer or similar taxes payable in respect of the issue and delivery of the Securities to the Underwriters or any subsequent purchasers pursuant to the Underwriting Agreement and the Underwriters will not become subject to any income, franchise or other tax imposed by a governmental authority of Bermuda solely by reason of the execution, delivery and performance of the Underwriting Agreement. The Underwriting Agreement, the Securities and the Indenture are not subject to ad valorem stamp duty in Bermuda, and no registration, documentary, recording, transfer or other similar tax, fee or charge by any Bermuda government authority is payable in connection with the execution, delivery, filing, registration or performance of the Underwriting Agreement, the Securities and the Indenture.

11. The Company has taken all corporate action required to authorise the execution and filing of the Registration Statement with the Securities and Exchange Commission. The Registration Statement has been duly executed and delivered by or on behalf of the Company.
12. Based solely upon a review of a copy of a letter from the Bermuda Monetary Authority in respect of the Company dated 16 July 2003 the Company has been designated as non-resident of Bermuda for the purposes of the Bermuda Exchange Control Act 1972 and as such is free to acquire, hold, transfer and sell foreign currency and securities without restriction under such legislation (including the payment of dividends, interests, premiums or additional amounts or other distributions which may be lawfully made by the Company under the Bermuda Companies Act).
13. The Company and the Bermuda Subsidiaries are not entitled to any immunity under the laws of Bermuda, whether characterized as sovereign immunity or otherwise, from any legal proceedings relating to the Underwriting Agreement, the Securities or the Indenture, or the transactions contemplated thereby in respect of themselves or their respective properties.
14. The choice of the law of the State of New York as the governing law of the Underwriting Agreement and the Indenture is each a valid choice of law and would be recognized and given effect to in any action brought before a court of competent jurisdiction in Bermuda, except for those laws (i) which such court considers to be procedural in nature, (ii) which are revenue or penal laws or (iii) the application of which would be inconsistent with public policy, as such term is interpreted under the laws of Bermuda. The submission by the Company to the non-exclusive jurisdiction of the New York Courts, the waiver by the Company of any objection related to inconvenient forum and the appointment by the Company of an agent for service of process, in each case pursuant to the Underwriting Agreement and the Indenture, is valid and binding upon the Company.
15. Based solely on a search of the Register of Charges maintained by the Registrar of Companies pursuant to Section 55 of the Bermuda Companies Act conducted at approximately [·] a.m. on [·] May 2019 (which would not reveal details of matters which have been lodged for registration but not actually registered at the time of our search), there are [17] charges registered on the assets of the Company and there are [·] charges registered on the assets of the Bermuda Subsidiaries as further detailed in Exhibit B.
16. Based solely on our review of a Transcript of Register dated [·] May 2019 issued by the office of the Bermuda Shipping and Maritime Authority in respect of each of the vessels listed on Schedule IV(a) to the Underwriting Agreement (each a “Vessel”, and together the “Vessels”), each of the Vessels is registered in each of the respective Vessel’s register in the name of the relevant Bermuda Subsidiary bearing the IMO number listed in Schedule IV(a) to the Underwriting Agreement. GasLog Ltd.  
\$75,000,000 8.875% Senior Notes due 2022

Ladies and Gentlemen:

We have acted as counsel for GasLog Ltd., a Bermuda exempted company (the “Company”), in connection with the public offering and sale by the Company of \$75,000,000 aggregate principal amount of 8.875% Senior Notes due 2022 (the “Notes”), to be issued under the Indenture dated as of March 22, 2017 (the “Base Indenture”), between the Company and American Stock Transfer & Trust Company, LLC, as trustee (the “Trustee”), as supplemented by the First Supplemental Indenture dated as of March 22, 2017 (the “Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), between the Company and the Trustee.

In connection with this opinion, we have examined originals, or copies certified or otherwise identified to our satisfaction, of such documents, company records and other instruments as we have deemed necessary or appropriate for the purposes of this opinion, including: (a) resolutions adopted by the Board of Directors of the Company (the “Board”) on May 2, 2019, (b) resolutions adopted by the bond committee of the Board on May 14, 2019; (c) the Indenture; (d) the Registration Statement on Form F-3 (Registration No. 333-230205) filed with the Securities and Exchange Commission (the “Commission”) on March 12, 2019, for registration under the Securities Act of 1933 (the “Securities Act”) of \$600,000,000 aggregate amount of debt securities of the Company, to be issued from time to time by the Company (the “Registration Statement”) and the Prospectus contained therein (the “Prospectus”); (e) the supplement to the Prospectus dated May 14, 2019; and (f) the Underwriting Agreement dated May 14, 2019, among the Company and Credit Suisse Securities (USA) LLC and DNB Markets Inc., as representatives of the several underwriters named therein (the “Underwriting Agreement”).

As to various questions of fact material to this opinion, we have relied upon representations of officers or directors of the Company and documents furnished to

---

us by the Company without independent verification of their accuracy. We have also assumed (a) with your consent and without independent investigation or verification, the genuineness of all signatures, the legal capacity and competency of all natural persons, the authenticity of all documents submitted to us as originals and the conformity to authentic original documents of all documents submitted to us as duplicates or copies and (b) that the Indenture has been duly authorized, executed and delivered by, and represents a legal, valid and binding obligation of, the Trustee.

Based on the foregoing and subject to the qualifications set forth herein, we are of opinion that, when the Notes are authenticated in accordance with the provisions of the Indenture and delivered and paid for, the Notes will constitute legal, valid and binding obligations of the Company, enforceable against the Company in accordance with their terms and entitled to the benefits of the Indenture (subject to applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer and other similar laws affecting creditors' rights generally from time to time in effect and to general principles of equity, including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing, regardless of whether considered in a proceeding in equity or at law).

We are admitted to practice only in the State of New York and express no opinion as to matters governed by any laws other than the laws of the State of New York and the Federal laws of the United States of America.

We hereby consent to the filing of this opinion with the Commission as Exhibit 5.1 to the Company's Current Report on Form 6-K filed on May 16, 2019, and to the incorporation by reference of this opinion into an exhibit to the Registration Statement. We also consent to the reference to our firm under the caption "Validity of the Notes" in the prospectus supplement forming a part of the Registration Statement. In giving this consent, we do not thereby admit that we are included in the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission.

Very truly yours,

Dear Sirs

**Re: GasLog Ltd. (the “Company”)**

We have acted as special Bermuda legal counsel to the Company in connection with the proposed issuance and sale by the Company of US\$75,000,000 aggregate principal amount of its 8.875% Senior Notes due 2022 (the “Notes”), pursuant to the Underwriting Agreement, dated 14 May 2019, among, inter alia, the Company, Credit Suisse Securities (USA) LLC and DNB Markets Inc., acting on behalf of themselves and the several underwriters named therein (the “Underwriting Agreement”). The Notes will be issued and sold pursuant the prospectus supplement dated 13 May 2019 (the “Prospectus Supplement”), supplementing the prospectus declared effective on 22 March 2019 (the “Base Prospectus”) that forms part of the Registration Statement on Form F-3 (File No. 333-230205) of the Company. As used in this letter, the term “Prospectus” means the Prospectus Supplement and the Base Prospectus, including the documents incorporated or deemed to be incorporated by reference therein pursuant to Item 12 of Form F-3 under the U.S. Securities Act of 1933, as amended (the “Securities Act”). The Notes will be issued pursuant to an Indenture, dated as of 22 March 2017 among the Company and the Trustee (as such term is defined therein) (the “Original Indenture”), as supplemented by the First Supplemental Indenture, dated as of 22 March 2017 (the “First Supplemental Indenture” and together with the Original Indenture, the “Indenture”) by and among the Company and the Trustee.

For the purposes of giving this opinion, we have examined copies of the Prospectus, the Registration Statement, the Underwriting Agreement, the Indenture, extracts of minutes of meetings of the Company's Board of Directors held on 17 March 2017 and 2 May 2019, certified by the Assistant Secretary of the Company on 17 March 2017 and 2 May 2019, respectively, and certified copies of resolutions of the Company's Bond Committee held on 17 March 2017 and 14 May 2019, certified by the Assistant Secretary of the Company on 17 March 2017 and 14 May 2019, respectively (the resolutions contained in such extracts and minutes being collectively referred to herein as the "Resolutions"). We have also reviewed the memorandum of association and the bye-laws of the Company (together, the "Constitutional Documents"), each certified by the Assistant Secretary on 16 May 2019, and such other documents and made such enquiries as to questions of law as we have deemed necessary in order to render the opinion set forth below.

We have assumed (a) the genuineness and authenticity of all signatures and the conformity to the originals of all copies (whether or not certified) examined by us and the authenticity and completeness of the originals from which such copies were taken, (b) that where a document has been examined by us in draft form, it will be or has been executed and/or filed in the form of that draft, and where a number of drafts of a document have been examined by us all changes thereto have been marked or otherwise drawn to our attention, (c) the accuracy and completeness of all factual representations made in the Indenture, and other documents reviewed by us, (d) that the Company entered into the Indenture in furtherance of its objects as set out in its memorandum of association, (e) that the Constitutional Documents will not be amended in any manner that would affect the opinions expressed herein, (f) that the Resolutions were passed at one or more duly convened, constituted and quorate meetings, or by unanimous written resolutions, remain in full force and effect and have not been rescinded or amended, (g) that there is no provision of the law of any jurisdiction, other than Bermuda, which would have any implication in relation to the opinions expressed herein, (h) that the Indenture is valid and binding in accordance with its terms pursuant to its governing law, (i) the capacity, power and authority of all parties other than the Company to enter into and perform their obligations under any and all documents entered into by such parties in connection with the Indenture, and the due execution and delivery thereof by each party thereto, and (j) that none of the parties to the Indenture carries on business from premises in Bermuda, at which it employs staff and pays salaries and other expenses.

The obligations of the Company in connection with the Indenture (a) will be subject to the laws from time to time in effect relating to bankruptcy, insolvency, liquidation, possessory liens, rights of set off, reorganisation, amalgamation, merger, moratorium or any other laws or legal procedures, whether of a similar nature or otherwise, generally affecting the rights of creditors as well as applicable international sanctions, (b) will be subject to statutory limitation of the time within which proceedings may be brought, (c) will be subject to general principles of equity and, as such, specific performance and injunctive relief, being equitable remedies, may not be available, (d) may not be given effect to by a Bermuda court

if and to the extent they constitute the payment of an amount which is in the nature of a penalty, and (e) may not be given effect by a Bermuda court to the extent that they are to be performed in a jurisdiction outside Bermuda and such performance would be illegal under the laws of that jurisdiction. Notwithstanding any contractual submission to the jurisdiction of specific courts, a Bermuda court has inherent discretion to stay or allow proceedings in the Bermuda courts.

We have made no investigation of and express no opinion in relation to the laws of any jurisdiction other than Bermuda. This opinion is to be governed by and construed in accordance with the laws of Bermuda and is limited to and is given on the basis of the current law and practice in Bermuda. This opinion is issued solely for the purposes of filing of the Registration Statement and the offering of the Notes and is not to be relied upon in respect of any other matter.

On the basis of and subject to the foregoing we are of the opinion that:

1. The Company is duly incorporated and existing under the laws of Bermuda and is in good standing (meaning solely that it has not failed to make any filing with any Bermuda governmental authority or to pay any Bermuda government fee or tax which would make it liable to be struck off the Register of Companies and thereby cease to exist under the laws of Bermuda).
2. When the Notes shall have been duly executed by the Company and authenticated by the Trustee as provided in the Indenture and shall have been duly delivered to the purchasers thereof against payment of the agreed consideration therefor as provided in the Underwriting Agreement, the Notes will be validly issued and will constitute a valid and legally binding obligation of the Company in accordance with the terms thereof.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement and to all references to our firm included in or made a part of the Prospectus. In giving such consent, we do not hereby admit that we are experts within the meaning of Section 11 of the Securities Act or that we are in the category of persons whose consent is required under Section 7 of the Securities Act or the Rules and Regulations of the Securities and Exchange Commission promulgated thereunder.

Yours faithfully
