About GasLog

GasLog is an international owner, operator and manager of LNG carriers providing support to international energy companies as part of their LNG logistics chain. GasLog’s consolidated fleet consists of 38 LNG carriers (33 on the water, four under construction and one vessel undergoing conversion into a floating storage and regasification unit, or “FSRU”). Of these vessels, 18 are owned by GasLog, six have been sold and leased back by GasLog under long-term bareboat charters and of the remaining 14 LNG carriers, 11 are owned by the Company’s subsidiary, GasLog Partners LP, and three have been sold and leased back by GasLog Partners LP.
